I use UBER all over the country and it is a wonderful safe service. Much safer and cleaner than most cabs you are subjected to.

Subject: Uber Cease and Desist

Hello,

My name is Spencer Patrick and I am a strong supporter of Uber. I believe that the action to halt Uber's service is ridiculous and irresponsible. I have used this service since they first offered it and I can say that it has raised the bar in terms of getting people from point A to point B. I hope that this decision is shut down and that Uber can continue its service in South Carolina.

Thank you,

Spencer Patrick

Subject: Uber

Hello

I am an frequent traveler often times utilizing the cab companies in cities that travel to. The cab drivers are usually rude and the cars are dirty. I now exclusively use Uber during my travels and love it. Why would SC send Uber a cease and desist??????? This is a free market! Our elected officials should not take this service from the taxpayers that enjoy it.

My daughter is a College of Charleston student on a limited budget. She has no car. She relies on Uber to provide her with safe and affordable transportation.
